

## **Report Submitted by I. Simpson**

May 15, 2015

*1 – (I. Simpson comments) “Concerned as I am about Health issues, I would like the Panel to read and revue this article. The absence of an Health Impact Statement from all the Fracking states leaves a huge gap in understanding. Please present this to the panel - and to your webpage - for review.”*

### **Call for a Comprehensive Health Impact Assessment**
